

REFERENCE GUIDE

What's the Difference Between Sage 300 & Sage 300cloud?

sage

It's time to connect your existing systems to the cloud

Pay as you go with Sage 300cloud to get all the features of cloud connectivity without giving up the benefits of your on-prem or hosted solution. Whether your current Sage 300 solution is highly customized or not, you can take advantage of new cloud-connected capabilities.

- ◆ Subscription pricing means you can avoid upfront costs and pay in a way that makes sense for your business.
- ◆ Going cloud-connected means you'll always have access to the latest feature and compliance releases of the Sage 300 product.
- ◆ Make decisions with more confidence by providing key stakeholders with access to key business data and insights from nearly anywhere in the world.

Enhance Sage 300 to meet the needs of your growing business without disruption to processes that work, with Sage 300cloud.
